

### General Guidelines for the Book Club:

1. Starting in 2021, fiction author Patricia M. Muhammad will start a book club. This is the general idea for the Book Club. We will have one club with three subgroups:
  - a. Standalones
  - b. The Silhouette Lost Series, and
  - c. Duologies or Shorter Series.
2. Every other month members will virtually meet to discuss the selected book of the month, whether the topic is:
  - a. Assigned questions,
  - b. Questions the author may have or general discussion (likes, dislikes, similar books within the genre, etc.). A Book Club member can be part of more than one subgroup. However, readers are advised not to discuss any book written by Patricia M. Muhammad that is not the book topic of the month. Don't spoil the adventures for others.
